

**13<sup>th</sup> BOSCOREE: HEALTH-HARMONY-HOLINESS**

**Prayer for the 13<sup>th</sup> Boscoree**

O God of the Universe, and Lord of all life,  
we come before you to seek your grace and strength  
as we prepare ourselves for the 13<sup>th</sup> Boscoree  
in the true spirit of Lord Baden Powell,  
and the charismatic predilection of our founders  
Don Bosco and Mother Mazzarello for the young.

Help us to be prepared  
as we journey anew on our path  
to live healthy lives,  
be ambassadors of harmony among all people and with nature,  
and be friends of the Divine in our quest for holiness of life.

Pour out your blessings and spirit  
on the organizers and participants of this 13<sup>th</sup> Boscoree.

We ask this of the Creator and lover of all beings  
in whom we truly believe in,

Amen.
